

Von Wobeser and Allen & Overy steer auto issuance

Tuesday, 13 September 2016 (9 hours ago) by Vincent Manancourt

Von Wobeser y Sierra SC in Mexico City has helped Indian automotive parts supplier Samvardhana Motherson issue notes worth US\$300 million to repay debt.

The Hong Kong office of Allen & Overy LLP advised ANZ, Barclays, DBS, Deutsche Bank, HSBC and Standard Chartered Bank as joint lead managers for the offering, which closed on 2 August.

It is thought DLA Piper LLP also provided counsel to the banks, but this could not be confirmed prior to publication.
